Dear Hartland High School Families

Permission to use photos of your child in school and for promotional purposes

At Hartland High School, we often take photographs and videos of students to celebrate their achievements, share news and build our positive school ethos. We are writing to request your permission to use images and footage of your child in both internal and external contexts.

Examples of where we might take photos or videos include:

- During lessons and at social times
- At sports fixtures or school clubs
- When celebrating individual or group achievements
- On school trips or at school events
- During rewards week and Fun Fridays

Examples of where we might share these photos and videos include:

- On our school website and social media platforms
- In newsletters
- On school display boards
- In trust-wide promotional materials and training resources

An example of one of our social media pages can be found here:

<https://www.facebook.com/HartlandHighSchool>

We are committed to using images and videos responsibly and respectfully. No names will be published alongside images without further consent, and all media will be stored securely and in line with our data protection policy.

Please complete the form [here](#) by Monday 22nd September to indicate whether or not you give your consent.

If you have any questions or concerns, feel free to contact the school office.

Thank you in advance for your support.

Warm regards
