

## HARTLAND HIGH SCHOOL

14th November 2025

Dear Hartland High School families,

I wanted to let you know how well Year 11 are doing so far with their mock exams. They have been excellent! The feedback from the exam invigilators has been that the students' behaviour and approach has been exemplary. One told me this week that "Last year they were great but that this group has been even better". We continue to be very proud of them all.

I want to remind you that Sixth Form Open Evening is next Thursday 20th November from 5-7pm. This is an excellent opportunity to find out more about next year. We strongly advise that parents and carers attend along with your child. We are very invested in ensuring our sixth form is the best possible option for our current Year 11s and we would love to share our progress, vision and plans with you.

Can I ask that you fill out this [link](#) with your name if you and/or your child plan to attend so that we can make sure we have enough seats and snacks for you.

If your child plans to stay on site on Thursday 20th for the Sixth Form evening we will be organising a 'pizza treat' for everyone, to acknowledge the end of their mock exams and to reward them for their work so far. Students are welcome to go home and come back to school for Open Evening if they prefer. Champions' Hour will be running as normal and students can enjoy pizza there if they prefer.

Linked to this, we will be providing children with guidance on careers and future next steps over the next few weeks in school. Students in Year 11 asked for more information, so we are running an assembly on Friday 15th, led by our Headteacher Ms Davey. We will follow this up with a programme of sessions in tutor time as well, to ensure that students make well informed choices.

Finally, we are also very excited to share that applications for Year 11 students to become student leaders are now open. We recognise that year 11s are working very hard on their academic studies, but we also know that it's critical that they have opportunities to develop their characters and challenge themselves in other ways. Student leaders will represent our values 'work hard, be kind', they will support with or lead enrichments, they will represent student voice and they will have the

opportunity to work in teams to deliver a project this academic year. Please discuss this opportunity with your child and encourage them to apply if they want to.

Thank you for your support and well done Year 11!

Kind regards

Mr Morgan
