

HARTLAND HIGH SCHOOL

2nd February 2026

Dear Hartland High School families,

Re: Year 9 Options Information Evening on Wednesday 11th February 2026 - 5pm

Thank you to all who attended Academic Review Evening last week. It was brilliant to begin conversations with many of you about the exciting prospect of choosing GCSE options.

This term, students in Year 9 will select the subjects that they want to study in Year 10 and 11. I am therefore writing to invite you and your child in Year 9 to our Year 9 Options Evening which is happening on Wednesday 11th February 2026 at 5pm. Please register your attendance at the Options Evening by filling in the form [here](#).

The presentations will begin at 5.15pm and the evening will last approximately 45 minutes. Light refreshments will be provided.

At the event, we will present the options process and timeline with you and our students and also give you an overview of the subject choices. There will also be the opportunity to hear about the curriculum covered in some option choices.

At Hartland High School, our vision is for all students to climb their own personal mountains to the very best universities in the country or careers of their choosing. We know that choosing GCSEs or vocational subjects is the first step students will take in personalising their education. We are very committed to supporting them fully to make the choices that are right for them.

Sincerely,

Mr Mayne
Deputy Headteacher
