

HARTLAND HIGH SCHOOL

13th April 2026

Dear Parents/Carers,

Please see below for important updates regarding our school site and ongoing maintenance:

Pod Roof Renovations

C-Pod: We are pleased to announce that the C-Pod roof is now complete and fully watertight. All scaffolding has been removed, and the main entrance is now completely open.
A-Pod & D-Pod: Work on these roofs will begin this term, with a scheduled completion date by Summer 2026.

Access Changes

During the upcoming construction period, our Northumberland Avenue entrance will be closed. Breakfast Club students must enter via the Hartland Road entrance until further notice. Please be assured that the bike sheds remain fully accessible during this time.

Interior Improvements

We haven't just been looking upward! Over the half-term break, we made a number of enhancements to our learning environments. All Pods entrances have received a fresh coat of paint to brighten up the space for our students.

Sincerely,

Mr C Evans
Operations & Commercial Manager

Hartland High School, 125 Hartland Rd, Reading RG2 8AF.
