**HARTLAND
HIGH SCHOOL**

Dear Hartland High School families,

We are delighted to let you know that our enrichment programme will begin again from Monday 21st September. These opportunities give students the chance to explore new interests, develop their talents, and build friendships beyond the classroom.

All of our enrichment clubs are completely free of charge, with most open to all students. Please note that it is each student's responsibility to inform parents and carers if they are attending an after school club, and parents must sign up for the chosen club via the MCAS app. We kindly ask that parents ensure suitable arrangements are in place for their child's safe journey home after attending a club.

We have many more exciting opportunities to share with you regarding enrichment this year. To ensure you have the most up to date information, our full enrichment timetable can now be found from Monday 21st September on our website on the [Enrichment page](#).

Among these opportunities is the chance for all students to get involved with the Hartland High School Rockets Basketball Youth Academy. The Academy offers a fantastic programme open to students across all year groups. We encourage everyone to come along as no advance sign up is required.

Students will have the chance to play games in local Berkshire Schools competitions as well as the national Dynamik National Schools tournament, where our teams achieved national champion status last year. Year 7 and Year 8 students will also have the opportunity to compete in the prestigious Junior NBA competition.

Finally we have free 30 minute guitar lessons that students can sign up for and do once a fortnight during the school day. If this is something you would like to express interest in please [fill in the form](#).

We look forward to seeing as many students as possible getting involved in this exciting programme. If you have any questions, please do not hesitate to contact me at acreffield@hartlandhigh.co.uk.

Kind regards,

Mr A Creffield
